care by experienced craftsmen, we can offer a truly individual bespoke service.

Casket shape
Make your selection from our traditional style coffins, which have square ends, or our curved-end caskets. Examples are shown throughout this brochure.

Natural willow colour
Different shades of natural willow colour are available, the result of handling the willow in different ways when it is harvested. All our coffins are available in a choice of:

- Weatherbeaten gold (shown on the left)
- Natural buff (on the right)

Bespoke handles
Our coffins and caskets feature six handles, which can be crafted from natural hemp rope, or woven from undyed or coloured willow, according to your preference.

12

Bamboo

Produced in China from intricately woven strands of bamboo around a wooden frame.
